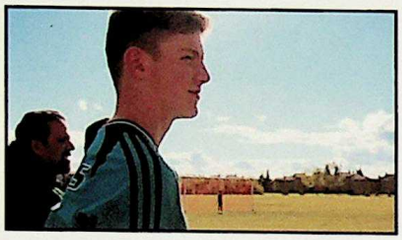
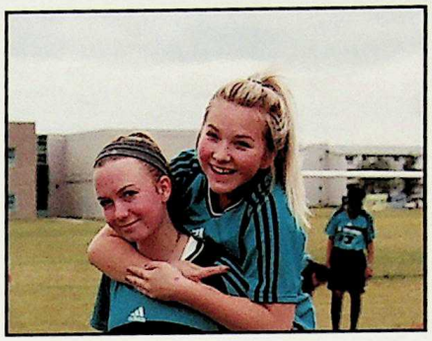
BOYS SOCCER

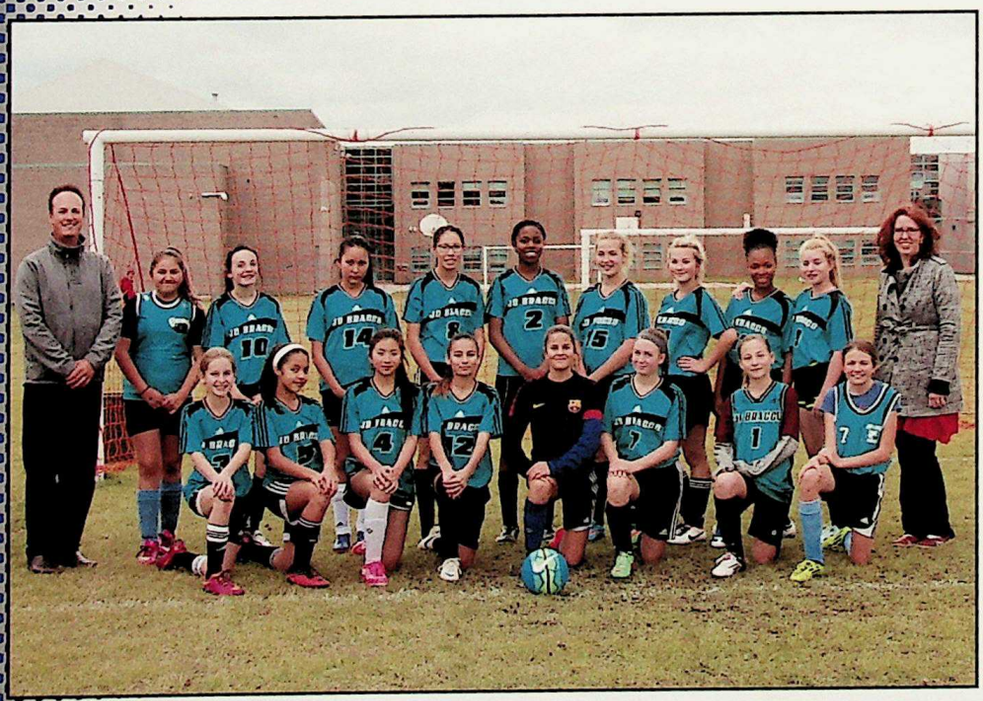


Ranjit Riar, Coach

The Senior Boys Soccer team had a great season. We started out slow, but by the time playoffs came around, the boys pulled together and were playing some great soccer. The final game of the season went to penalty kicks to decide the winner. With some great goal-tending and well-placed, shots the boys won the Tier Two City Conference Championship. What a great season, and an even better group of young men!

GIRLS SOCCER



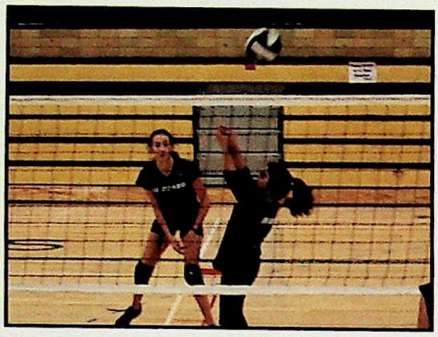


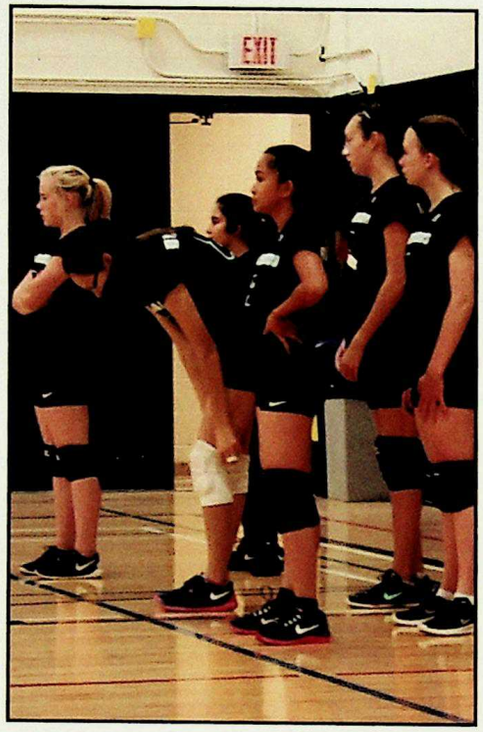
Tyler Sorochan, Coach

The JDB Girls Soccer team had a fantastic season this year! The girls went undefeated through the regular season with 4 wins and 1 tie, finishing first place in their pool. Their success was highly due to amazing teamwork and the fact that they scored 19 goals, while only allowing 1 goal against. In the Premier Playoffs, they made it to the semi-final round, but unfortunately lost out, finishing fourth place out of seventeen teams in their league.

Way to go, Bruins!

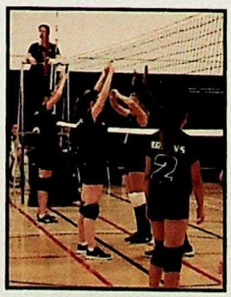
GIRLS VOLLEYBALL



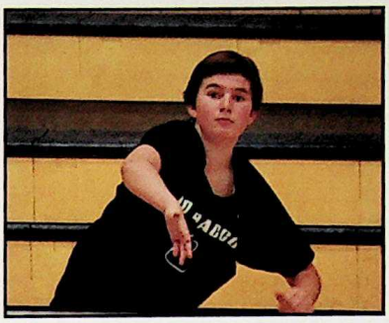


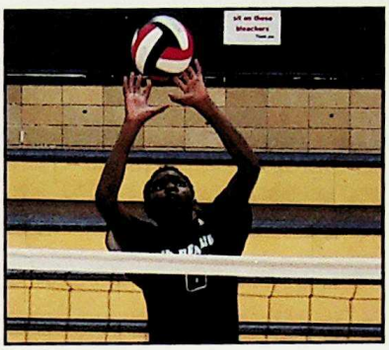
Christine Bains, Coach

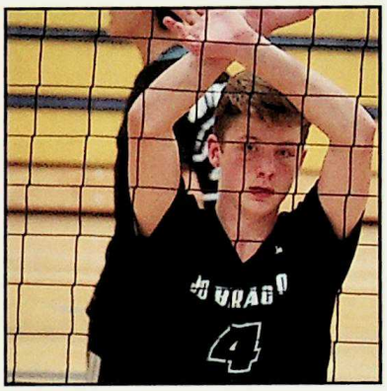
It was such a pleasure to work with this group of athletes this volleyball season! The girls consistently demonstrated dedication and skill during practice, tournaments and league games. They also showed us the true meaning of teamwork and perseverance throughout the season. Our team finished with a first place standing in our league and we could not be more proud of the season we had. Thanks for your hard work, commitment and positive attitudes, ladies!



BOYS VOLLEYBALL



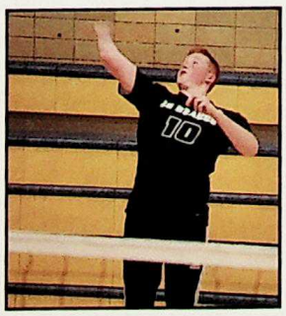




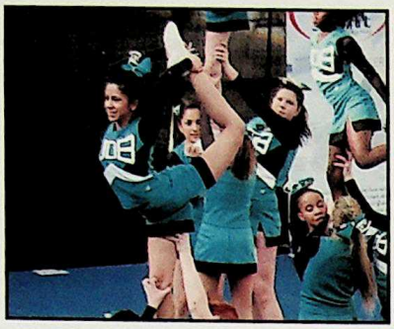
Kyle Stark, Coach

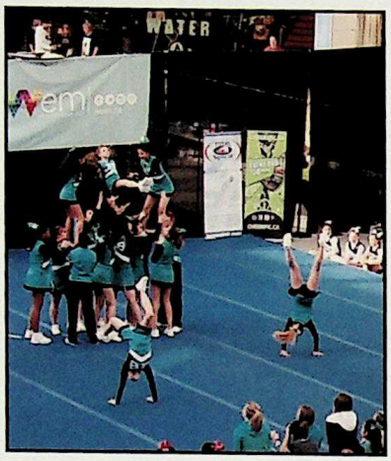
This year we had an enjoyable season together, as we learned more about each other and the sport of volleyball. Our team consisted of a great group of athletes who put in the hard work needed to grow and develop.

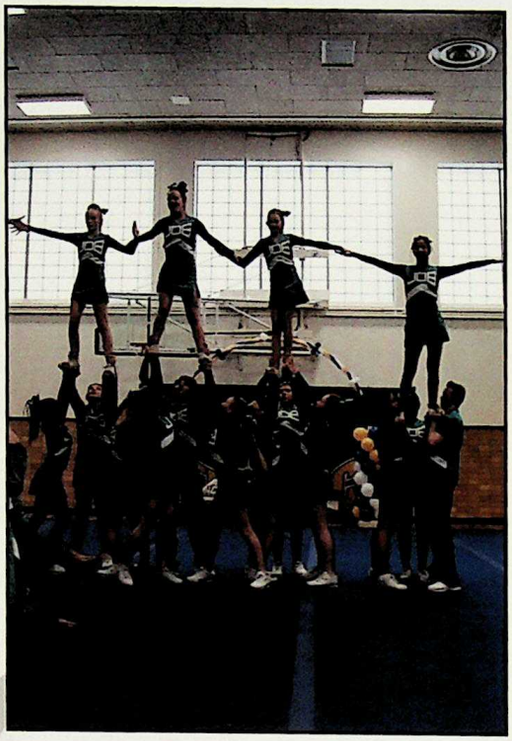
We ended the season with a couple of big wins when the boys were able to come together as a team and perform at a higher level. Great job!



CHEERLEADING



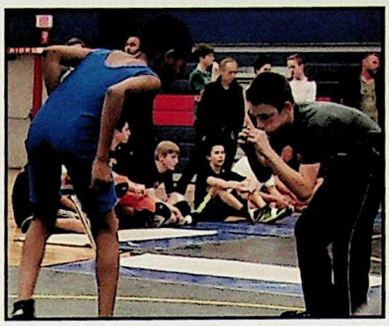




Christie Roethlingschoefer, Coach

The 2016 John D. Bracco cheer team was comprised of 29 hard working athletes this year. They practiced from September until April, learning two new routines.they performed at the Victoria cheer competition, Edmonton Zones, the Ross Sheppard cheer competition and the West Edmonton Mall championship. In March, two teams were made in preparation for provincials, developing new and improved skills. Their year culminated in both teams exceeding expectations with flawless performances at Provincials. The Division 1 team ranked 5th and the Division 2 team ranked 3rd in Alberta. Congratulations to all athletes on their accomplishments this season – we are very proud of you!

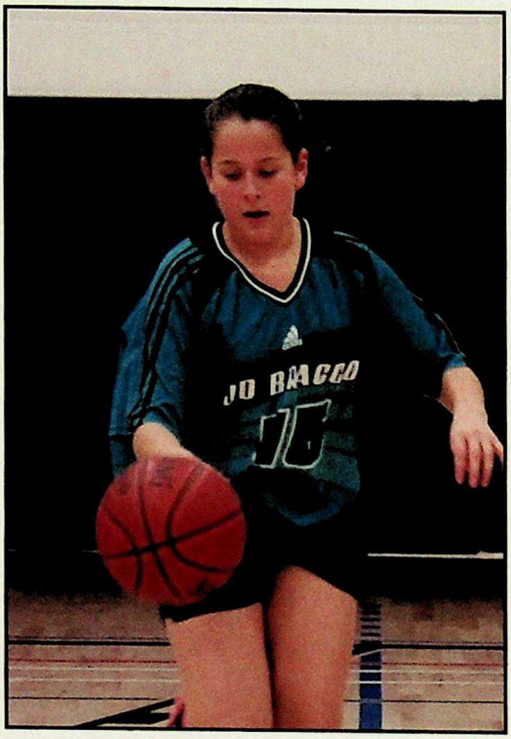
WRESTLING



Jason Wass, Coach

Bruins Wrestling had another successful year, earning five individual medals at the City Championships. The Senior Girls team won their first City Championships. Three of our wrestlers competed at the Alberta Winter Games in Medicine Hat.

JUNIOR GIRLS BASKETBALL



Brenda MacKinnon, Coach

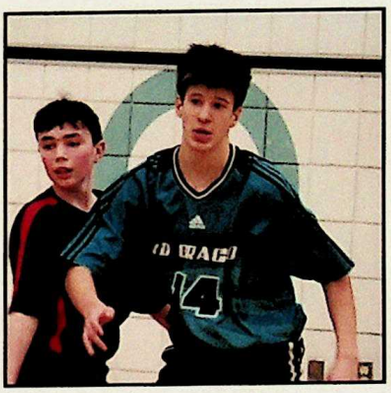
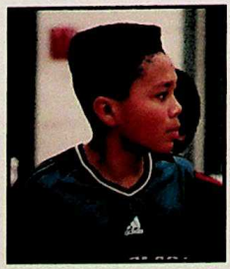
JUNIOR BOYS BASKETBALL



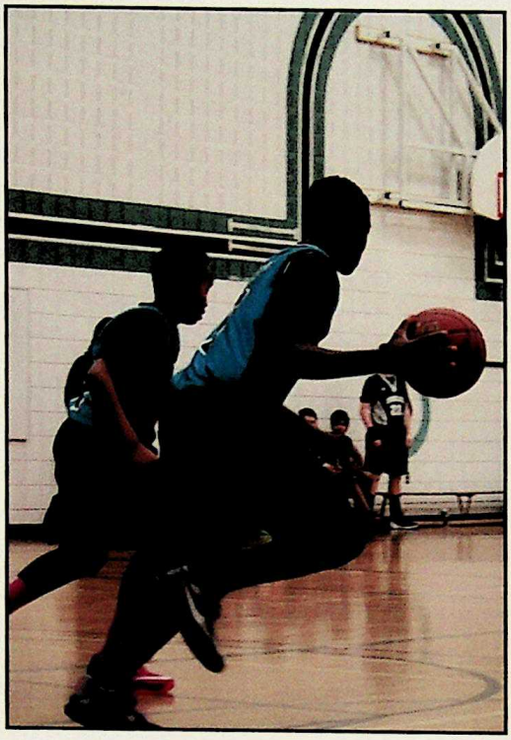
Ranjit Riar, Coach

The Junior Boys Basketball team participated in a development league. Altho they were not the biggest te in the league, they held the own and were competitiv all the games.

The future ght for John D B sketball



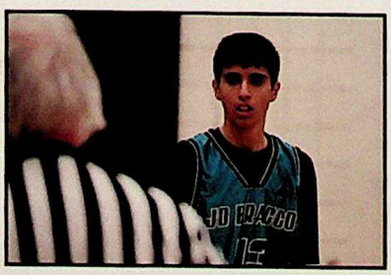
BOYS BASKETBALL



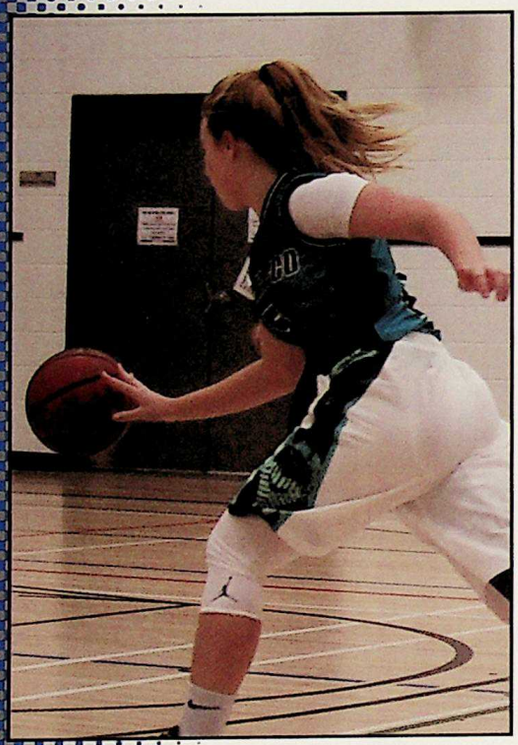
Jeffrey Stead, Coach

Our senior boys basketball had fifteen dedicated players who represented our school with great passion on and off the court. We finished the season in 2nd place, and after a hard-fought playoff game, came up short in our quest for the city championship. The boys also participated in the ME Lazerte tournament, finishing 4th, as well finishing 4th in the Eastglen tournament.

However, the boys did not lose a game at home all year. They also played an exhibition game against the Edmonton Wildcats football team in front of a packed Bracco gym.

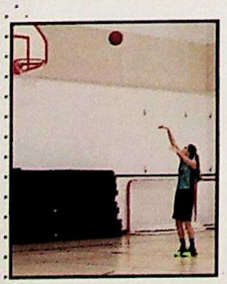


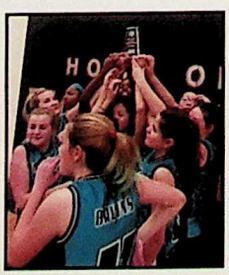
GIRLS BASKETBALL

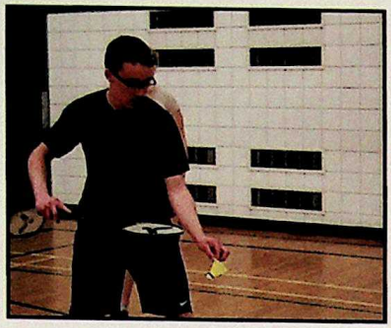


Kyle Stark, Coach

From the beginning of the season, I told the girls that no team was going to work harder than us on the court. With a 20-2 record , 2 gold medals from tournaments, and a bronze medal in Tier 2 to finish off the season, I believe these athletes showed their dedication to each other, built on a already strong work ethic, were committed to strive for excellence and definitely wanted to have FUN! Thanks for all your hard work, the good times and the opportunity to share a little about what it means to push oneself in the face of adversity.





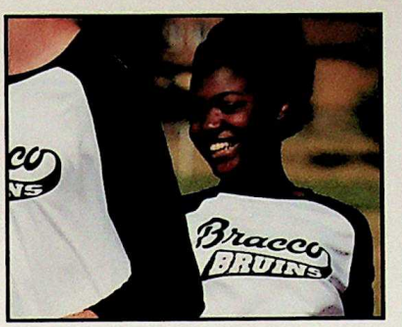


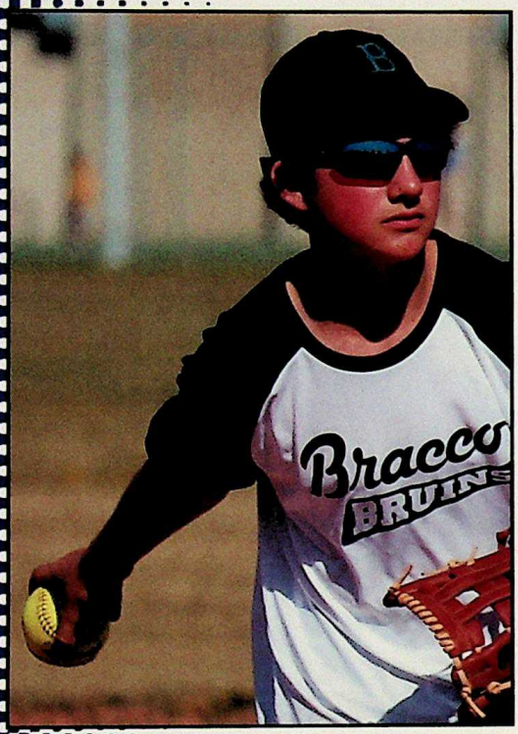
BADMINTON

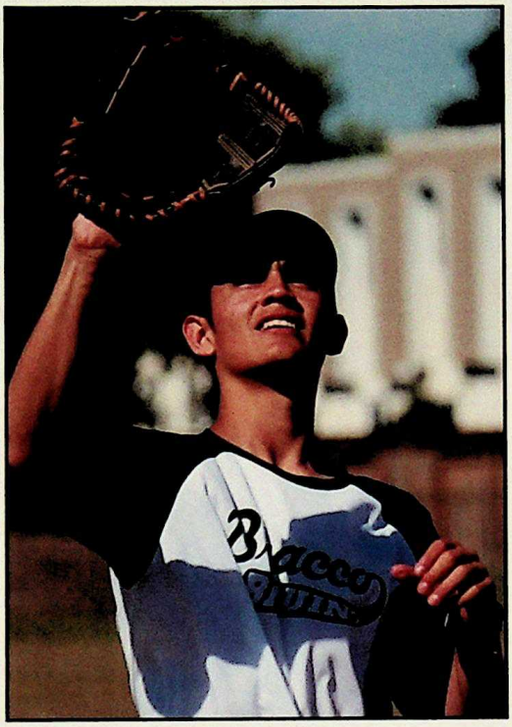
By: Hayley Dickson, Coach

What a great season for badminton this year! After over 50 people tried out, we had to narrow it down to three teams per division. With the help of former student Zachary Flynn, our team learned how to serve, return, spike, and (hardest of all) keep score. Our senior players did particularily well in our tournament, with top prizes in Singles and Doubles games going to Bracco students. Congratulations for another quick and fun badminton season!

SLO-PITCH

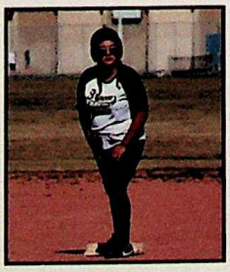




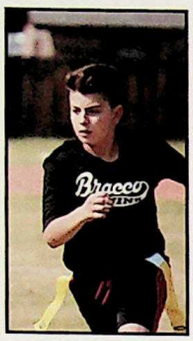


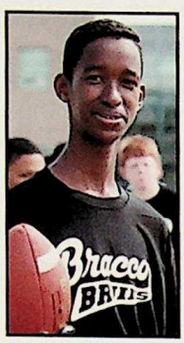
Christie Roethlingschoefer, Coach
Alena [illegible]nera, Coach

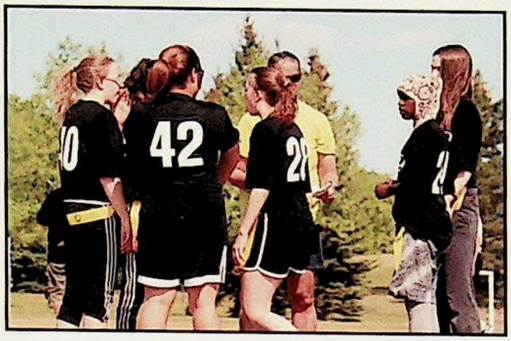
The John D Bracco slo-pitch team was resurrected this year by fifteen very talented athletes, all with varying ball experience. Team members practiced tirelessly to learn rules and improve batting and their understanding of game strategy. Each athletes demonstrated team, sportsmanship skill. Congratulations Slo-Pitch on a great season!

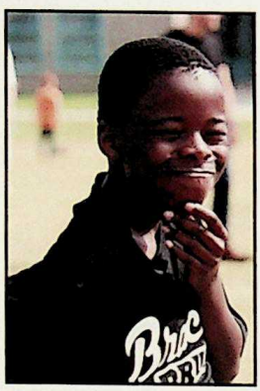


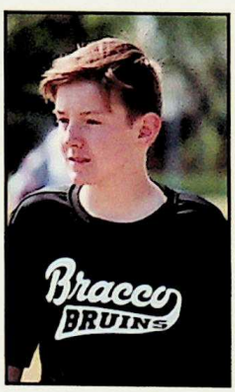
FOOTBALL











Jeffrey Stead, Coach

This was the first year back for football at John D Bracco in over 10 years. We had over 35 boys and girls playing. The girls won their first game of the year in a close battle with EIA. The boys were highly competitive in all their games, with all athletes getting a chance to show their skills throughout the season. This was a great foundation to what promises to be a bright future for Bracco Football.
